

# St Laurence's Literacy Celebration Calendar

Year 2022 - 23

# Rationale

**Reading for pleasure** is a vital part of every child's educational entitlement. Developing a love of reading has huge benefits for children, contributing to pupils' educational achievement across the curriculum in addition to providing a lifetime of enjoyment. At St Laurence's Catholic Primary school, we believe in both the importance of developing children's discrete word-reading skills and comprehension, as well as the need to foster a love of books and reading. 'Reading widely and often increases pupils' **vocabulary** because they encounter words they would rarely hear or use in everyday speech. Reading also feeds pupils' imagination and opens up a treasure house of wonder and joy for curious young minds.' (National Curriculum). We recognise that these two elements are intertwined: each relies on the other if children are to become **life-long readers**. With so much competition for children's time and attention it is vital that we embed a culture of reading into the core of what we do as a school, helping every child to become a lifelong reader. At St Laurence's Catholic School we ensure reading is a **top priority** within all areas of the curriculum. We ensure **purposeful books and vocabulary focuses** are at the heart of everything we teach to ensure extensive reading and exposure to a wide range of texts make a vital contribution to every child's educational achievement, regardless of their personal background.

## Poem / Book of the Month

### In Flanders Fields

*By: Lieutenant Colonel John McCrae*

In Flanders Fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

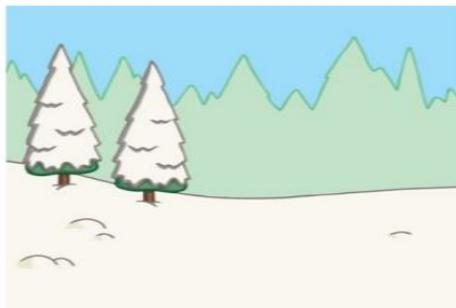

We are the Dead. Short days ago  
We lived, felt down, saw sunset glow,  
Loved, and were loved, and now we lie  
In Flanders fields.

Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch, be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.

<p>I can read a nonfiction book - Already we have read some stories &amp; some poetry. This month we want to read non fiction books. Non fiction might be linked to your science or topic theme. Make sure you check out the local libraries over the holidays; find a new reading spot; learn about a new author or just share a story with a family member. We want to hear all about your summer reading in September !</p>	<p>Dr Sues said it best ' You have brains in your head and feet in your shoes. You can steer yourself in any direction you choose'. A perfect way to remind our children that we want them to always be the best they can be and hope they have spent this year becoming confident readers to open many doors for them in the future.</p>
